## BEN FOODS (B) SDN BHD

Ben Foods' business is divided into two spheres of activity:

1. The wholesale and distribution of fast moving consumer products, commodities and pharmaceutical products

#### 2. Retail

Ben Foods operates an impressive warehouse equipped with modern air conditioned, chilled and frozen storage facilities. Never satisfied with its achievements, Ben Foods is investing in state-of-the-art information technology and systems to further improve the business. The wholesale division's goal is to become the most efficient marketing-oriented distributor in Brunei.

On the retail front, Smart and Supa Save Supermarkets provide the venues for selling products direct to the consumer. Here, the complete range of agency lines can be found. The aim of the retail division is to provide all customers with the highest standard of service and to further train and motivate its staff.
